The image is a screenshot of a website for the Batzer Laboratory of Comparative Genomics at Louisiana State University (LSU). The header features the laboratory's name and logo on the left, and the LSU logo on the right. A dark purple navigation bar contains links for Home, Research, People, Publications, Courses, and Contact. Below the navigation bar, the word 'Publications' is centered in a large blue font. Underneath, there is a grid of years from 1986 to 2023, arranged in three rows and 14 columns.
